Plaintiffs,

**ORDER RECALLING BENCH WARRANT
AND DISMISSING ORDER TO SHOW CAUSE**

On March 21, 2006, this Court issued a bench warrant for the arrest of one Timothy M. Little, president of defendant Custom Wired Technologies L.L.C., for his failure to appear in court on that date in response to an order requiring his appearance to show cause why he should not be held in contempt for his failure to comply with a previous order directing the turn-over of certain records. On May 2, 2006, Mr. Little was brought before the Court pursuant to an arrest on the bench warrant. Plaintiffs' counsel also appeared on that date. Mr. Little was released upon conditions that he comply with the order for production of documents. On May 8, 2006, counsel for the plaintiffs confirmed that she had received the documents previously order to be produced.

Accordingly, it is **ORDERED** that the bench warrant is **RECALLED**, the bond is **CANCELLED**, and order to show cause is **DISMISSED**. The plaintiff may apply to the court for judgment after completing the audit involving the records ordered produced.
